Higher Education Management
March 1989, Vol. 1 No. 1

INDEX TO VOLUME 12

The Internationnal Journal of Institutional Management in Higher Education *was discontinued under that title with the publication of volume 12, No. 2 (1988). This issue being the first under the new title* Higher Education Management *the following is an index of all contributions, news items and book reviews published in the two issues of 1988. The list is organised in alphabetical order of authors in the case of contributions, in chronological order in the case of IMHE news and in alphabetical order of authors whose books have been reviewed in the case of book reviews. The title of articles is listed only once in the case of multiple authors.*
Appropriate articles are abstracted/indexed in Current Index to Journals in Education (ERIC).
